Note

A

Govt Order No.1144-53 dated the 6th Feb. 1899 permits Dy. Commrs of Districts and other Heads of Departments to grant advances up to a maximum of Rs50/- to officials in plague affected areas to enable them to build shads for themselves to live in outside the town subject to repayment in 3 instalments.

2 It has all along been the practice ~~that~~ while reports of such grants ~~when~~ are received in this office approved to embody them in the form of orders and send copies of them to Comptroller for needful.

5(4)

3 In the ~~case~~ of the two communications referred to above the Sr. Surgeon merely forwarded for approval letter No1363 dated 13-1-03 from the Dy. Commr., Shimoga, reporting that advances amounting to Rs50/- were made to certain officials of the Ex. Engr's office omitting to state for

what purpose or under what authority such advances were made. In order therefore to avoid any mistake in the matter and reference from the Comptr. the Senior Surgeon was asked to furnish these par-ticulars.

4. The 2nd of the two letters is his reply which is not only not to the point but appears to be somewhat curt.

It will be observed that the purpose for which the advance referred to in Order No1053 9-40-L.B.P.512 dated 7-1-03 is clearly stated tho' not the authority.

The action of the Deputy Commissioner, Shimoga District was however approved of and communicated to the Comptroller. *No 12172-3 dated 28 p 588 20.2.03

(a) Of the officials to whom the grant of shed building advance was approved of in G.P.No10539-40-L.B.P.512 dated the 7th January 1903, it is reported that an advance of Rs30/- was made to one Seshagiri Rau, Hd. Gumastha of the Honnali Tk. on the 16th December last, and that he died on the 2nd. January following, after receiving his pay for Decr. 1902 which was disbursed on the 23rd idem in accordance with Govt Order No 9692-G.F.225-92 dated the 9th Decr. 1902. S.No 3(D) S.No 7(a)(B)

(b) Under the above circumstances the Senior Surgeon recommends that the whole amount of the advance made to Seshagiri Rau be written off the accounts; he quotes Order No1099-1100 dated the 26th February 1901 in support of his recommendation and as furnishing a precedent. No 785 dated 7 p March 03 S.No 7(A) @S.No 4.(C)

(c) When considering how far the Senior Surgeon is justified in basing his present recommendation on the Govt. order just quoted, attention is invited to the marginal remarks of the then Secretary which runs to the following effect- *S.No 4

> This is recommended on special grounds and is not likely to become a precedent or develope into a general financial question"

~~(d) It is moreover a question if Seshagiri Rau died so poor that his heirs are unable to pay the small sum of Rs 30/ outstanding against the deceased, considering the decent appointment he was holding at the time of his death.~~

~~Draft enquiring put up.~~ Under the peculiar circumstances of the case, the amount in question may be written off the accounts.
